Mark Your Calendars—You Won't Want to Miss This Pop-Up Next Fashion Week

NAILS | 02.26.15 by Deven Hopp

New York Fashion Week may have just come to a close, but before we know it, it will be September and the Fashion Week frenzy will be in full swing again. If you're like us, you like to plan ahead, so we wanted to share one piece of vital information for every New York Fashion week attendee: You can get all of the beauty services you need for a week of hopping from show to show at **Triumph Hotels**. As a boutique hospitality brand offering accommodations throughout New York City's various neighborhoods (including NoMad, TriBeCa, and the Upper West Side), Triumph Hotels make the perfect partner for the beauty-on-demand innovators at **PRIV**. Every Fashion Week, PRIV sets up shop throughout Triumph Hotels' properties to offer complimentary manicures, hairstyling, and makeup touch-ups. That's right—no matter where you are in the city, you'll be able to pop in to one PRIV's pop-ups and get a quick makeover (for free!). The services are open to everyone, whether you're a hotel guest or not. If you missed it last week, mark your calendars for Fashion Week this fall (September 10th through the 17th)—you won't want to miss out on the primping again.
